DTC provide its buses to the general public on the rates approved by GNCTD (*Annexure-I*) as per details given below:-

Main issue of Consideration & Examination:

During the last two years DTC has added world class Low Floor buses in its fleet. The present fleet of Low Floor buses consist A.C and non-A.C. buses. Number of requests are coming from individuals/companies to hire these buses for the purpose of shooting film etc. Presently, no rates for shooting purposes are fixed and as a result the buses are being given on the normal hiring rates and thereby Corporation is loosing a considerable amount. It is therefore proposed that the minimum hiring charges for hiring the Low Floor Buses for shooting purposes may be fixed as under:-

Low Floor A.C. Buses = Rs. 25,000/- per bus per day (excluding detention charges).

Low Floor Non A.C. Buses = Rs. 20,000/- per bus per day (excluding detention charges).

Annexures:-

1. Letter No.TR/SH/FS(10)/09/3452 dated 03.11.2009.

2. Letter No. TR/Spl.Hire/09/322 dated 19.11.2009.

Conclusion:

The matter is placed before the Board for consideration and approval of the following:-

1. Minimum hire charges for providing Low Floor A.C. buses for shooting purposes. = Rs. 25,000/- (excluding detention charges)

2. Minimum hire charges for providing Low Floor non A.C. buses for shooting purposes. = Rs. 20,000/- (excluding detention charges)

It has been a practice to hire out buses in lean traffic periods at late evening hours. Hiring out buses in normal hours of the day, and for outstation destination has not been a regular feature. This disturbs the schedules as in such cases the buses are not available for the normal operation with a view to avoiding such possibilities, it has been decided that henceforth no special hire booking of buses will be made for places outside the Union Territory of Delhi.

This has the approval of Chairman-cum-M.D.
