DELHI DEVELOPMENT AUTHORITY
OFFICE OF THE CHIEF ENGINEER (HQ)
VIKAS SADAN, INA

No: EM.3(25)86//Vol.20/ 552 Dated:

ORDER

For conservation of water (a precious material) it has been decided that adequate corrective measures shall be under taken by all the departments in NCT of Delhi. It has been decided that while sanctioning of building plans for Group Housing Residential, Institutional and Commercial building a mandatory condition may be inserted in the sanctioning memo that the building so constructed shall have dual piping system and mini sewage treatment plant shall be constructed within premises for treatment of sewage and utilizing the treated water for purposes other than drinking, with dual pipes system.

This issue with the approval of Hon'ble LG, DDA.
