Sub: Submission of Report under Section 25 (ii) of the RTI Act, 2005

Dear Mr. Mehta

As you are probably aware, the Right to Information Act, 2005 in Section 25 places an obligation on the Central Information Commission to prepare a report on the implementation of the provisions of the Act during the year for submission to the Central Government at the end of each year. In order to meet this requirement each ministry and department in relation to the public authority within their jurisdiction shall collect and provide the information to the Commission that is needed to prepare and submit the report. The report also enables the Commission to monitor the manner in which the RTI applications are processed by the different departments of the public authority.

In order to prepare our report, you are hereby requested to ensure that every public authority under jurisdiction of the GNCTD submits the sought information to the Commission in the *attached format* for the year 2008-09 and 2009-10. Moreover, quarterly reports for the year 2010-11 should be sent by the 10 July 2010, 10 October 2010, 10 January 2011 and 10 April 2011. These reports should be sent to the Commission at rtimonitoring@gmail.com preferably in excel format.

I am sure that you and your office will do the needful to ensure that obligations under Section 25 of the RTI Act are met. Please inform all the public authorities of GNCTD that their compliance with Section 25 of the RTI Act must be complete and they should send the information as desired by the Commission by 10 July 2010.
