No. DE 41/Sports/2010/CWG/ 3252 - 3351

Dated:- 13-7-10

To

The Concern Head of the Schools,  
Directorate of Education,  
New Delhi.

Sub:- **Participation of students in the Opening & Closing Ceremony of CWG-2010 - clarification thereof.**

Sir/Madam,

Kindly refer to this office letter of even no. dated 04.06.2010 whereby the list of students and other requisite forms were sent to your school for returning the same after getting the requisite forms filled up from the individual participant.

It has been brought to the notice of this office that there are many drop outs from the list of students provided by the Organising Committee as they have either passed out from that school or changed the school. Accordingly, the matter has been discussed with the Organising Committee and after detailed discussions, the Organising Committee has agreed that, after giving the backup list, there is still some more requirement left, then the concerned Head of the School can select the required numbers of students from their school at their own level. The selection criterion of the students is that they should be tall and healthy and should have sense of rhythm.

**The important point to note is that the children should be given the same number as was originally allotted by the Organising Committee to those children who have dropped out.**

The "Accreditation form" and soft copies of photographs need to be provided in a single CD (with name of school mentioned on it).

The photographs have to be stapled on the required forms and the school children also need to provide 5 passport size photographs separately with name, school name mentioned on the back of the pic.

Accordingly, the final list may be prepared quickly and forwarded to this office by 16.07.2010 positively alongwith the other required forms so that the same may be forwarded to Organising Committee.

This may be treated as "**MOST URGENT**".
