Sub: Regarding INSPIRE PROGRAMME i.e. Innovations in Science Pursuit for Inspire Research.

Sir/Madam,

In continuation to the Dy. Director of Education (Sc & TV) circular dated 05/01/10 on the above subject, I am to enclose herewith the slightly revised format received from the Deptt of Science and Technology, Govt of India with the clear-cut directions that the information pertaining to Inspire Programme on the format be submitted to the Zonal Officer within 24 hours. It should be ensured that adequate number of students from SCs, STs & OBC categories are included and maximum representation is given to girl students in proposals from co-educational schools (at least 40 percent). All the other contents of the circular remain unchanged.

The Deptt of Science and Technology is pressing very hard for the early submission of the scholarship proposal on the guidelines and criteria already made available. The students of Delhi will suffer heavily if the required information is not provided by the Deptt well in time. As such, the Head of School will be personally responsible if the information sought on the subject is not provided by the school in the prescribed time frame.

Again the Heads of Schools are ordered to strictly follow the time limit of submission of the above information.

Yours Faithfully

(Sunita Kaushik)
