Dated:- 26/3/2010

To

The Heads of All Schools,
Dte. of Education,
Delhi / New Delhi.

Sub:- Observance of "World Health Day" in schools on 7th April, 2010.

Sir,

For holistic development of a child, a fit body is the need of the day. A child can keep himself fit if he is free from any disease. The "World Health Day" is observed every year on 7th April 2010 with the purpose to create interest and inculcate the significance and importance of maintaining good and sound health of Delhi school children.

The issues to be focussed on this occasion are to educate a child about the general principles of health and hygiene, immunization against diseases, maternal and child health, benefits of small family norms, preventive aspects of communicable diseases like H1N1 flu, Chikungunia, Tuberculosis, Leprosy, Malaria etc.

You are therefore, requested to observe / celebrate this important day in your school on 7th April, 2010 by way of debates, poster making, inviting doctors / experts of this field in your school & have an interactive session with the students.

A report alongwith action photographs be sent to this office for apprising the higher authorities.

Yours faithfully,

(SATPAL.)
