However, it is clarified that the role of the Finance nominee in the Purchase Committee is of advisory nature only and mere presence of the nominee of Finance Department on the meetings of the purchase committee of any Department does not tantamount to the concurrence/sanction of the Finance Department. The expenditure proposals beyond the delegated powers of HODs, which are recommended by the purchase committees, are, therefore, required to be referred to the Finance Department through the Administrative Secretaries concerned for consideration and decision.

With regard to the purchases of below Rs.25 Lakhs, the Heads of Departments may constitute a Purchase Committee in their own Departments consisting of at least three members of appropriate level as may be decided by the HODs. The senior most Accounts functionary working in the concerned Department may invariably be made a member of this Committee. However, the expenditure sanctions will be exercised by the HODs/HOOs in accordance with the delegations already made by FD.

(J.P. Singh),

Pr. Secretary (Finance).
