Dated

Dear Sir,

As you may be aware, Earth hour is observed globally every year on 4th Saturday of March by voluntarily switching off the lights between 8:30 P.M. – 9:30 P.M. Iconic buildings and landmarks across the Globe join the event and switch off their non-essential lights.

Last year, Delhi observed Earth hour 2010 in a big way by involving various stake holders who contributed by switching off lights during Earth hour which has resulted in saving of around 300 MW of power.

To show our concern towards the environment & climate change, this year too the Government of Delhi has decided to observe Earth hour and voluntarily switch off the lights for 1 hour between 8:30 P.M. to 9:30 P.M. on March 26th, 2011.

In this regard, May I request you to do the following:

- Switch off the non-essential lights in your Departments/ Organizations for 1 hour between 8:30 P.M. to 9:30 P.M. on March 26th, 2011.
- Co-operate fully and make it a grand success.

Earth Hour is a message of hope and a message of action for energy conservation towards combating Climate Change. Everyone can make a difference.

With

regards.

RB
