Sir,

The Disaster Management Act, 2005 entrusts National Institute of Disaster Management (NIDM) with the responsibility of planning and promoting training and research in the area of Disaster Management. Under this mandate the NIDM has been focusing on training and capacity building initiatives and development of trainers for conducting disaster management training programmes in different sectors at various levels in the country.

2. With a view to sensitize the youth organizations in the Education sector, the National Institute of Disaster Management (NIDM) is organising a **Five days Training Programme on Disaster Management for NCC ANO's of colleges, from 17-21 September, 2012** at its campus in New Delhi. The course would be conducted by NIDM faculty and resource persons of high expertise.
