1211 to 1217

Dated: 20.09.2012

CIRCULAR

Subject - Feedback of e-procurement System

For using e-procurement system, several trainings have been provided by NIC. However, various difficulties have been reported while uploading and downloading tenders. To streamline the process of e-procurement, a circular dated 27.07.2012 was issued from EDP cell giving guidelines for floating tenders by reducing the file size. In continuation of the circular, the fresh round of training of e-tendering to all Executive Engineers has been completed.

All concerned Executive Engineers/Other DDO's are therefore requested to provide their feedback/suggestions to EDP cell on specific problems encountered during uploading /downloading of tenders and for further improvement in the e-procurement system.

In case no feedback/comments are obtained by 01.10.2012, it shall be presumed that there are no problems to report and the Executive Engineers/Other DDO's are fully conversant and comfortable with present e-procurement system.
