CIRCULAR

Subject - Feedback of e-procurement System

For using e-procurement system, several trainings have been provided by NIC. However, various difficulties have been reported while uploading and downloading tenders. For feedback of e-procurement System, a circular dated 20.09.2012 was issued from EDP cell for feedback/suggestions to EDP cell on specific problems encountered during uploading /downloading of tenders and for further improvement in the e-procurement system. But so far very few comments have been received.

All concerned Executive Engineers/Other DDO's are again requested to provide their feedback/suggestions to EDP cell.

In case no feedback/comments are obtained by 31.10.2012, it shall be presumed that there are no problems to report and the Executive Engineers/Other DDO's are fully conversant and comfortable with present e-procurement system.
