Subject: *Suo moto* disclosure under Section 4 of the RTI Act, 2005

Dear Mr. Mehta

It has come to the Commission's notice that a lot of information relating to Tenders issued for the Commonwealth Games and other development work in Delhi in the last 5 years is not available in the public domain and disclosures under Section 4 of the Right to Information Act 2005 have not been made in this regard. As you are probably aware, disclosures in accordance with Section 4, RTI Act are crucial to ensure transparency and accountability in institutions. This would reduce the load of RTI Applications being filed with each institution as information would be freely available to citizens and they would not have to apply for it.

It appears from the websites of the different departments of the Delhi Government (ex. MCD, NDMC, Urban Development, PWD, Rural Development, Irrigation and Flood Control, Delhi Jal Board, DSIIDC etc.) who are responsible for implementing these projects, that certain disclosures have not been made till date. The Commission hereby directs the Delhi Government to fulfill its obligations under the RTI Act and specifically make the following information available by **15 September 2010**:

SL No	Nature of Work	Date of Tender	Estimated Value of Tender	No. of Tenders who had applied	Name of successful contractors	Date of awarding the work.	Estimated life of the completed project	Total amount paid to the contractor.	Date of Completion of work.	Penalties levied for the delay.	The period of delay

This information should be made available on the websites of the concerned Departments. This information should be updated on a monthly basis. I look forward to receiving a Report from your institution by **20 September 2010**. You may send the Report to [rtimonitoring@gmail.com](mailto:rtimonitoring@gmail.com). The Report must include:

- Measures taken to fulfill disclosure obligations under Section 4 including making information available on your official website.
- Measures put in place to ensure regular updating of the information uploaded on the websites.

I look forward to your continued cooperation to make sure that the RTI Act is implemented in its full spirit in your institution.

Shailesh Gandhi
