D.O.No.Z-22011/1-PG/2012-CPHEEO

Dated the 9th November, 2012

Dear Sir,

With the advancement in water and wastewater management technologies and more & more emphasis on sustainable management, the subject of Public Health Engineering/Environmental Engineering has been recognized as an important one at the Post-Graduate level for graduate in-service engineers, engaged in delivery of water and sanitation services in the country. While appreciating the need for specialization at P.G. Level for in service engineers, this Ministry has recognized twelve renowned academic institutions in various parts of the country to conduct Post Graduate degree courses of 24 months duration in Public Health Engineering/Environmental Engineering.

The details regarding the institutes with their intake capacity and eligibility criteria etc. for admission are indicated at Annexure-I. In so far as the financial support and other criteria are concerned, the details are given at Annexure-II. The outstation candidates are provided with Stipend @ Rs.4000/- per month during the course period. The details (Annexure-I & II) are available at our website www.urbanindia.nic.in

It is requested that suitable candidates from your Department/Organization may be nominated to undergo this P.G. Course. The list of the candidates along with the duly filled in application form in the prescribed performa, as at Annexure-III, may be **forwarded to this office latest by 31st January, 2013 for further necessary action.**

With regards,

Yours sincerely,

Encl.: As above

Instructions (Read carefully before applying):

21

- Three sets of applications are required along with supportive documents separately with photographs.
- The documents should be attested by Gazetted officer.
- All copies of marks sheets and certificates of Bachelor level (B.E./B.Tech.) should be attached with application.
- Apply in fresh (Latest format) available at our web-site (www.urbanindia.nic.in>CPHEEO>PHE Training) only. The old format will not be considered for recommendation of sponsorship in any case.
- The applications should be countersigned by Official Head/HOD/Chief Engineer
- Priority should necessarily be mentioned against all the Institutes listed as in application form at page No. 2. Request for change of priorities shall not be considered at a later stage.
- Candidates are requested to mention place of present posting, address of communication with Pin code along with contact number/E-mail id/Fax number etc.
- Incomplete application will be liable for rejection.
- In Case of the candidate belong to SC/ST; enclose the attested copy of "Caste Certificate".
- Last date mentioned in the circular is final for receiving of the applications in this Ministry. **NO APPLICATIONS WILL BE ACCEPTED/PROCESSED AFTER LAST DATE.**
- Each candidate must have minimum 3 years of experience in Public Health Engineering OR as mentioned against each institutes requirement and preferably below 45 years of age.
- The candidate who had been selected during last academic session and offered admission by the Institute, but not joined shall not be considered while forwarding the nominations.
- In case it is not possible to accommodate the candidates in the Institutions as per their first priority they may be accommodated in other Institutes in subsequent order (s) of priority as mentioned by them in their application subject to fulfillment of eligibility criteria and availability of slots.
- In case any candidate discontinues the course or fails to complete the Post Graduate course in all respects including submission of thesis or fails to obtain the P.G. degree within the stipulated time period of 24 months, the entire amount paid by the Government of India (through the Institute) to the candidate towards stipend, tuition & examination fees, contingencies etc will be recovered from him/her through their department concern.
- Selection of candidates by CPHEEO shall be treated as final.

Contd.....

b/c

- In case the selected candidate(s) are not relieved in time to enable him/her join the Institute, it is very likely that the slot kept for him/her will remain unutilized for that academic session and under such circumstances, his/her candidature will not be considered for admission to PG course for the next three academic sessions.
- Sponsored candidates are required to pay/deposit Institute's fees on their own at the time of admission and later, the Ministry reimburses only the tuition & examination fees along with stipend for outstation candidates through the Institute to the candidates after receiving the final list of candidates admitted with details of tuition fee, examination fee, date of joining etc. from the Institute.
- BEFORE FORWARDING THE NOMINATIONS OF THE CANDIDATES THE NOMINATING AUTHORITIES ARE REQUIRED TO ENSURE THAT THE CANDIDATES CAN BE RELIEVED FOR THE P.G. COURSE IN THE EVENT OF THEIR SELECTION FOR MINIMUM 24 MONTHS DURATION.
- No TA/DA shall be paid by the Ministry for attending interview/ admission / joining the Institute at the time of admission.

Annexure

Ministry of Urban Development
Government of India
(CPHEEO)

Financial support for undergoing Post Graduate Course in Public Health/Environmental engineering during 2013-14 for 2013-2014 batch.

Financial Support:

- A monthly stipend of Rs. 4000/- is paid to each of the outstation sponsored candidates by the Government of India through the Academic Institute.
- Expenses towards tuition and examination fees only borne/reimbursed to each sponsored candidate by the Government of India through the Institute (as per institutes Budget Estimate). All other fees are to be paid by each candidate/nominating department.
- Contingency grant @ Rs.2500/- per semester (Maximum for semester only) is sanctioned to the Institute (and not to an individual candidate) by the Government of India.

Note: The Grant-in-aid will be released by this Ministry to the Institutes concerned after receiving the Budget Estimate prepared by the Institutes (along with the latest circular in case of any change in fees structure). The Grant will be released only after receipt of previous Utilisation Certificates along with the statements of expenditure in respect of any Grant-in-aid released by this Ministry to the Institute concerned.
