No. IRD-15(10)/2010/279

Further to this office circular No. IRD-15(10)/2010/225 dated 30-8-2010 wherein it was requested to set up a Shop Council in the CWS's and Depot Councils in Depots to organise the meeting regularly with a view to improve the Industrial Relation in the Corporation.

It has been noticed that the meeting of Shop Council/Depot Council are not being held regularly causing resentment amongst the workers for not hearing their grievances timely. It is once again requested to organise the meeting regularly & send report to this office for kind perusal of CGM/CMD.
