Circular

Under Section 4 for Right to Education, 2009 there is a provision of Special training for Out of school children either in the school premises or a safe place available with the NGO. First of all those children will be enrolled in the regular school and they will be given ID or admission number and after that they will be given Special Training at the Special Training Center. The period of training will be from 3 months to 2 years but during inspection/visits it was found that many schools are not providing them ID/admission number which is a clear cut deprived of their Right to Education and they are not obeying instructions issued earlier.

All the head of schools are, therefore directed to enroll, all the out of school children in the regular schools and get them ID or admission number in respective school. After imparting special training for the said period in their school premises run by Dte. of Education/ MCD /NDMC/DCB. They may be brought to the mainstreamed in their age appropriate class after having assessed by SCERT.

These instructions are being issued in continuation of earlier circular no. F. NGO/Emp/2012-13/Part file/3209-10 dated 24.09.13.
