Dated: 30/4/2012

CIRCULAR

During the course of meeting with the representatives of Trade Union, it was pointed out by them that the staff working in the Depots are being harrassed by marking "No Duty" against their name in the fleet register. This practice is larger in the case of contractual staff.

The issue has been examined and it is hereby ordered that whenever any employee whether on contract or otherwise is marked "No Duty" in the fleet register, the same must be supported with reasonable grounds conveyed to him in writing. Any violation of these instructions will be viewed seriously.

This issues with the approval of competent authority.
