

DEPARTMENT OF
INDUSTRIAL RELATIONS

Dated: 7/12/10

IR/15(10)/2010/225

Further to this office circular No. IR/15(10)/2010/225 dated 30-8-2010 and its subsequent reminder dt. 22-11-10 requesting therein to set-up a shop council in the Central Workshop I & II and Depot Council in Depot/unit to organise the meeting once in a month regularly with a view to improve the Industrial Relation in the Corporation.

It has been noticed that the meeting of Shop Council in the Central Workshop I & II and Depot Council in the Depot/Units are not being held regularly causing resentment amongst the workers for not hearing their grievance timely. It is, therefore, once again requested to organise the meeting re-regularly and sent report to this office for kind perusal of CGM/CMD.
