Sub: Availability of the funds and Classification of Expenditure

It has been observed that some of the Departments are submitting proposal(s) to Finance Department for concurrence without mentioning the availability of the funds and details of Head of Account to which the expenditure is to be debited. In some cases 15 digit codes are written in one go without indicating the function, sub-function and programme which also makes it difficult to identify and link proposal without consulting the grant book. This causes delay in processing of the proposal.

Regarding above attention of departments is invited to the provisions contained in List of Major and Minor Heads of Accounts for the Union and States and Delegation of Financial Powers Rules regarding classification of expenditure. The classification of expenditure in numeric code is in standard six tiers as indicated under:-

- | | | |
|--------------------|---|---|
| I. Major Head | - | 4 digits (Function) |
| II. Sub-Major Head | - | 2 digits (Sub-function) |
| III. Minor Head | - | 3 digits (Programme) |
| IV. Sub-Head | - | 2 digits (Scheme) |
| V. Detailed Head | - | 2 digits (Sub-Scheme) |
| VI. Object Head | - | 2 digits (Primary Unit of Appropriation or Object Head) |

Standard code numbers allotted to the Major, Sub-Major and the Minor Heads in detailed demands for grants of GNCT of Delhi are as per List of Major and Minor Heads of Accounts for the Union and States and the Object Head also as prescribed in Rule 8 of delegation of Financial Powers Rule 1978. The codes for Sub-Heads and Detailed Heads are allotted by the Controller of Accounts, GNCT of Delhi.

The detailed Demands for Grants are prepared taking into consideration six tiers standard pattern of codification for classification of expenditure. The departments while submitting their proposals for approval/concurrence are required to indicate the above pattern of codification in notes as well as while issuing sanctions.

An example for classification of expenditure in 15 Digit Code is given below. The details for this entry is taken from Page No.1 of Demand No.1 in Detailed
