

No. F.15/DJB/M(WS)/2014 *3894 to 3925* Dated : 02.12.2014

CIRCULAR

It is observed at various sites of work that excavation work is being carried out without proper supervision and planning due to which, the complaints of damage of gas pipelines and other services are being received from Indraprastha Gas Ltd. and other related departments. There have been a total no. of 38 cases where DJB has damaged IGL pipelines as per the list enclosed. Breaking of gas pipelines may cause catastrophic damage to the general public and property due to explosion.

All concerned officials are directed to inform the concerned departments maintaining above services before taking up the work of excavation. The above instructions should be sent by all CEs to all EEs / AEs under their control.

Encl: As above.
