Dated: 23.4.2015

Dear Sir,

Error-free Electoral Roll is one of the foundational requirements of the democratic governance. In this direction, the Election Commission of India has launched National Electoral Rolls, Purification and Authentication Programme (NERPAP) to take all necessary measures including linking the Elector's Photo Identity Card (EPIC) data with the Aadhar number, for achieving error-free Electoral Roll by 15<sup>th</sup> August 2015:

Linking of Electoral Roll with Aadhar is intended to achieve the following:

1. To prevent duplicity in the enrolment of an elector in the Electoral Roll.
2. To create hassle free enrolment in the roll at new place of residence in case of shifting.
3. To ensure easy removal of multiple entries of an elector from electoral roll.
4. To authenticate the entry in the Electoral Roll.

As on date, the NCT of Delhi has 1,33,15,546 electors and as per the records available with the State Resident Data Hub (SRDH), the number of 18+ persons registered for Aadhar in the National Capital is 1,00,50,119. One of the most visible section of electors is the Government employees in the NCT of Delhi. They not only contribute in the election process but also assist in the outreach program to create awareness about the purity of the Electoral Roll in the capital city. The linking of the EPIC data with the Aadhar is simple and can be done through SMS/webpage/District Election machinery. The details are explained in the attached advertisement.

KC (W)

It is expected that the employees working in the department would take immediate step to link their EPIC details with the Aadhar number.

I would like to request you to issue necessary instructions to all the employees working in the department to get the above discussed linkage completed by 27/04/2015. We will be happy to demonstrate the process, if required, in your office as per your convenience.

With regards,

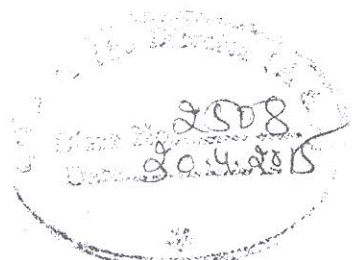

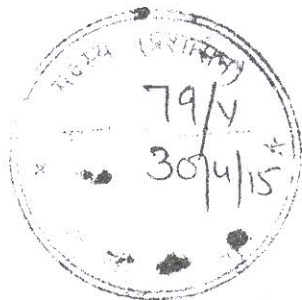

Yours Sincerely,

(CHANDRA BHUSHAN KUMAR)
