NO. DE-15/Act-1/WPC 43/06/2015/3317-3322

Dated: 08/09/2015

CIRCULAR

Hon'ble High Court of Delhi vide judgement dated 7/5/2015 decided the Civil Miscellaneous application no. 20634/2014 filed in WPC 43/2006 titled Social Jurist, a Civil Rights Group Vs Govt. of NCT of Delhi & Ors. and directed as under:

(I) DoE, MCD, NDMC, EDMC and DDA to ensure immediate closure/shifting of those unrecognised schools which are housed in any premises which may pose a threat to the safety of the children studying therein.

(II) All concerned authorities have also been directed to expeditiously decide the issue of regularisation if any, to be granted because of the change if any to be made in the norms prescribed for recognition of the schools.

Further, Hon'ble Court has reminded the Govt. agencies of provisions sections 18 and 19(2) of the RTE Act, 2009 which these agencies are to comply in any case.

That section 18 of RTE Act has a provision that no school to be established without obtaining certificate from the appropriate authority after the commencement of this Act and Section 19(2) has a provision that if any school does not fulfil the norms and standards specified under the Act, it shall take steps to fulfil the same within a period of three years from the date of commencement of RTE Act, 2009. The RTE Act came into force w.e.f. 1/4/2010.

That this department has already given provisional recognition to about 800 unrecognised schools but still about 300 schools are running unrecognised, for the fact that these schools do not meet the minimum land requirement. The file for closure of these schools is under process.

That while considering the cases for grant of provisional recognition of the schools, structural stability certificate/building fitness certificate issued by the competent authorities, are obtained by the department to ensure the structural stability of the school building but department has 'no structural stability' record of those schools which are not even provisionally recognised due to non-fulfilment of land norms.

That district wise list of unrecognised schools & those unrecognised schools whose cases for provisional recognition have been turned down by the deptt. is annexed with this circular.

In view of above, it is directed that All Unrecognized Private Schools running in NCT of Delhi to submit 'Structural Stability record/certificate' of the building in which these schools are housed within seven days from the date of issue of this circular, failing which it would be presumed that school does not have any such document/record and further action for closure of such school shall be started without further notice.

This issues with the prior approval of the Competent Authority.
