Subject: Implementation of INSPIRE Award Scheme - Receipt of Nominations online.

Sir/ Madam,

As you are aware, Department of Science & Technology has been successfully implementing the Scheme called 'Innovation in Science Pursuit for Inspired Research' (INSPIRE) for the last about six years. The first component, INSPIRE Award Scheme, is for attracting & motivating students to pursue science and is applicable for 10-15 years age group, for which online nominations are to be submitted on the web-link <http://www.inspireawards-dst.gov.in>.

2. Under this scheme, during the five year period two students are selected from each school of the country for an INSPIRE Award of Rs.5000/- each for preparing a Science Project/ Model. These awardees, who are students from classes 6th to 10th, then participate in a three tier competition: District, State and National Level. The projects exhibited are evaluated by a jury of experts. All the 29 states and 7 UTs are participating in the scheme. Award amount includes cost of making a science project / model as well as cost of bringing the project / model at District level Centre for Exhibition / Display Competition.

3. More than one million INSPIRE Awards have been sanctioned till date. Recently, the INSPIRE Award Scheme, has been moved to Direct Benefit Transfer (DBT) platform, wherein the Award money would be directly transferred to the Beneficiary Account electronically. Accordingly, all the State Nodal Officers (SNOs) have been informed that all proposals /nominations of students would be required to be accompanied by complete bank account details of each prospective individual beneficiary. Necessary changes in this regard have been made in the INSPIRE Award website viz. <http://www.inspireawards-dst.gov.in>.
