DIRECTORATE OF EDUCATION
OLD SECRETARIAT, DELHI-110054.

NO.F.DE.23(619)/Sch.Br./2015/1792

Dated:06/11/2015

CIRCULAR

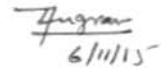

Subject: Anti-Fire Crackers Campaign.

The situation of air pollution and worsening air quality gets aggravated around Diwali if the excessive use of fire-crackers is not efficiently curbed. Various harmful effects are also associated with the Noise Pollution generated by the sudden outbursts of crackers.

Therefore, Heads of all Schools in Delhi are advised to sensitize children and staff about the harmful effects of fire crackers so that they use safer alternatives e.g. lights, flowers etc to celebrate the festivals.

Schools may organize rallies and nukkad natak to involve children and the neighbouring community. In addition, Heads of Schools should personally address the school assembly in order to dissuade children from using fire crackers.

This issue with the prior approval of the Competent Authority.
