**State Council of Educational Research and Training
Varun Marg, Defence Colony 110024**

Dear Sir/Madam,

I take privilege to inform you that our institution is organizing a **two days National Seminar** on the theme **“Age Appropriate Admission: Challenges and Opportunities”** on **10th & 11th March 2016**.

The objectives of the seminar is

- To study the status of Special training Centres (STCs)
- To identify the problems faced by the teachers and students at STCs
- To find out the role of community at STCs
- To find out the role of stake holders in effective functioning of STCs
- To find out the remedies for effective functioning of STCs

In this connection original and unpublished research papers in English/Hindi are invited from Academicians, Administrators, Professionals, Principals, Teachers, Teacher Educators, and, Research Scholars reflecting critical areas, of Special Training Centers with new perspective.

As per the mandate of RTE Act 2009(Section 4) bringing all out-of-school children at par with their peers within the stipulated time frame is a challenge as well as an opportunity for all stakeholders for evolving a workable plan for mainstreaming out-of-school children through special training. Special training centers (STC) are a ray of hope for those out of school children who somehow are not at par with their mainstream peers.

STC contribute by arranging special classes, focusing on learning needs and styles of learners, assessing their basic competencies for taking timely and appropriate corrective measure by teachers through continuous and comprehensive evaluation, ensures to bring out of school children at par with their peers. Role of teacher training institutes is also important for arranging special trainings for teachers at STC , and developing Bridge Curriculum and Special Learning Support Material (SLSM).

Main theme: “Age Appropriate Admission under RTE: Challenges and Opportunities”

Sub themes: Papers are invited in the form of research report (Experimental, Quasi experimental, or Analytical), field experience. & case study on topics which critically reflect on the main theme of the seminar through any of the following foci. However the areas described below are only indicative but not limited in coverage.

- 1) Key function of STC and their effective discharge
- 2) Role and responsibilities of Teachers/ Head Masters ,Cluster and Block level functionaries ,DIET faculty and District level functionaries , Functionaries of SCERT , SSA and Department of Education
- 3) Monitoring and supervision of Special Training Programme for their improvement of Learning
- 4) Capacity building programme: for teachers and for all other functionaries at various levels from State level to School/ SMC level.
- 5) Development of Bridge curriculum and Special Learning Support Material (SLSM).
- 6) Reviewing of teacher training programmes in context of special training provisions under RTE
- 7) Promoting Action research / research for transformation of Special training centers(STC)
- 8) Intervention strategies to improve student performance in STC.

G Guidelines for Participation

- No registration fee for participation.
- Co-authoring of papers among individuals of the same or different institutions is permissible.
- Selection of paper is solely subjective to expert opinion of the selection committee. Participants will be informed through email about their selection of papers.
