

No. DE. 40(6)/DDE/SCB/INSPIRE/2015/ 1603

Dated: 14/12/2015

**CIRCULAR**

The Coordinator- INSPIRE Science Camp, Shivaji College (Accredited with Grade A by NAAC-2015), University of Delhi, Raja Garden, Delhi, has sent a letter dated 11 December, 2015 (copy enclosed) regarding organizing the INSPIRE Internship Program (Science Camp) from December 19-23, 2015 in association with Department of Science & Technology (DST), Government of India, New Delhi. This program is launched by Government of India to inspire intelligent and inquisitive students to pursue careers in natural science stream & thereby strengthen the National Science and Technology base in India.

The Scheme for Early Attraction of Talent (SEATS) aims to spot talented young students and motivate them to pursue science by providing a Science INSPIRE camp for toppers in class 10<sup>th</sup> Board Examination (93%) and above for CBSE, 95% and above for ICSE).

The itinerary of the camp includes lectures from eminent Scientists, hand – on training session in various science laboratories and a visit to institutes of eminence like ICGEB and IIT, New Delhi. The fully sponsored camp is for five days and includes Food, Travel (Boarding & Lodging) and stationery & books etc. The accompanying teacher will also get a certificate of participation and appreciation at the end of science camp. All the details of this tentative program and registration form for the students are attached.

The complete details of students must be filled-up in Nomination/Registration form & be sent to them on or before December 15, 2015 by email: [shivajicollege.ac@gmail.com](mailto:shivajicollege.ac@gmail.com)

It is mandatory that a lady teacher should accompany the girl students.

All Principals of Govt./Govt. Aided/Public recognized schools under GNCT of Delhi are requested to go through the original letter, uploaded on the website, before furnishing the information to Shivaji College, University of Delhi.

This may be treated as **MOST URGENT and TIME BOUND.**

To,

**SH. ASHUTOSH GHOSH****DDE SCIENCE**

Dear Sir,

It gives us great pleasure to inform you that **Shivaji College (Accredited with Grade 'A' by NAAC- 2015)**, University of Delhi, Raja Garden, New Delhi and the **Department of Science & Technology (DST)**, Govt. of India is organizing **Inspire Internship Program (Science Camp) from December 19-23 2015.**

**Innovation in Science Pursuit for Inspired Research (INSPIRE)**, an initiative of the **Department of Science & Technology (DST)**, New Delhi is a program launched by Government of India to inspire intelligent and inquisitive students to pursue careers in natural science streams & thereby strengthen the National Science and Technology base in India.

**Scheme for Early Attraction of Talent (SEATS)** aims to spot talented young students and motivate them to pursue science by providing a Science INSPIRE camp for toppers in **Class 10<sup>th</sup> Board Examinations (93% and above for CBSE, 95% and above for ICSE)** who are undertaking science education at Class 11<sup>th</sup> level. Through this camp the talented students will get a unique opportunity to interact with eminent scientists and academicians and will be made cognizant of the advances on the very frontiers of science and technology.

The INSPIRE Science Camp (**NON-RESIDENTIAL**) is scheduled from **19 December to 23 December at Shivaji College**. The itinerary of the camp includes lectures from eminent scientists, hand-on training sessions in various science laboratories and a visit to institutes of eminence like ICGEB and IIT, New Delhi. The **FULLY SPONSORED** camp is for 5 days and includes Food, Travel (Boarding & Lodging) and Stationary including Books etc. A certificate of participation & a take-home lab manual would be handed over to the students at the end of the 5th day (**i.e. December 23, 2015**) Science Camp. The accompanying teacher will also get a certificate of participation and appreciation at the end of science camp. All the details of this tentative program and registration form for the students are attached.

I am looking forward to your nomination of the students and request you to send us the completely filled Registration forms on or before **December 15, 2015**. If there are a few girl students in the list of nominees, it is mandatory that a lady teacher should accompany them.

Thanking you with regards,

Yours Sincerely,

**Dr. Shashi Nijhawan,**

**Principal**

## INSPIRE SCIENCE CAMP 2015

### INSPIRE Internship

(A Component of INSPIRE Programme)

Department of Science and Technology (DST), Govt. of India

"Innovation in Science Pursuit for Inspired Research (INSPIRE)" is an innovative programme sponsored and managed by the Department of Science & Technology for attraction of talent to Science. The basic objective of INSPIRE is to communicate to the youth of the country the excitements of creative pursuit of science, attract talent to the study of science at an early age and thus build the required critical human resource pool for strengthening and expanding the Science & Technology system and R&D base.

A striking feature of the programme is that it does not believe in conducting competitive exams for identification of talent at any level. It believes in and relies on the efficacy of the existing educational structure for identification of talent.

One of the components of "Scheme for Early Attraction of Talent for Science (SEATS)" is INSPIRE Internship in which annually about 50,000 students of top 1% performers in Class X board examinations and pursuing science at higher Secondary level are being given an exposure with leaders in science in the Summer/Winter camps to experience the joy of innovations. These Science Camps essentially nourish the curiosity of children in science; help them to think out of the box and attract the students at an early age of 16-17 years (i.e. in XI standard) to enroll in science subjects.

#### Selection Criteria

Selections will be made among the top one percent rankers in their X Board Examination and pursuing science in standard XI

**Duration of Science Camp:** 5 days (excluding the days of journey)

**Residential/Non- Residential**

#### Applicants Eligibility Criteria

Top one percent ranking in the X (CBSE: CGPA A1) Board Examination for all Boards in the country.

Pursuing science in standard XI.

Not attended a similar Science Camp elsewhere earlier.

Participating students shall be within the same State or UT.

**Note:** In case the number of top 1% students of a respective examination board is more than the allocated number of INSPIRE interns, for participation in such Camps, of the respective state/UT, top rankers will be selected for INSPIRE internship Science Camp as per the cut-off percentage listed for various Boards class X examination, provided they had applied for the same.

## INSPIRE SCIENCE CAMP 2015

### Mentors and their Role

Mentors for INSPIRE Internship would be various **Academy Fellows, Bhatnagar Awardees, Scientists and academicians of national and international repute**. Mentors role would be to interact with the students through lectures related to scientific success stories and joys of innovation across all science streams which in turn would nourish the curiosity of children in science, help them to think out of box and attract them at an early age of 16-17 years to enroll/pursue their academics/career in science. This will be followed by personal interaction in an exclusive set up at camp.

### Financial support for the program

- For the Science INSPIRE internship of 5 days (excluding the Journey days).
- Travel, Boarding & Lodging, Stationary including Books & small experimental gadgets etc., Honorarium to the Mentors, organizational expenses for the Students and Indian Mentors invited for the respective science camp.

For attending INSPIRE Science Camp, the student need not pay any money either to the school or the organizer. Expenditures towards travel (to and from), accommodation, food etc., for all students attending science camps are taken care of by DST-INSPIRE programme through respective camp organizers. The camp is totally free of cost for the student.
