CIRCULAR

An inquiry on diversion of foodgrains meant for public distribution system to various flour mills in Delhi was conducted by Ms. Niharika Rai, the then Additional Commissioner, F&S. The Inquiry Officer had suggested some corrective measures to be taken by the Department to check such diversion of foodgrains. Accordingly, all Assistant Commissioners/Food Supplies Officers/Inspectors of F&S Department are directed to take following corrective steps in this regard.

- An intelligence network for keeping a check on diversion of PDS supply to flour mills and other such places will be developed by field officers.
- Quality and quantity of SFAs, proper marking on the bags, samples sent with SFAs etc. will be checked properly and if there is any loophole detected, necessary action be taken immediately
- All Assistant Commissioners may themselves inspect maximum no. of FPSs as per policy.
- All Assistant Commissioners may randomly check flour mills in their respective areas to prevent diversion of PDS supply.
- All Assistant Commissioner may check the loading process and may randomly check the trucks on the way when they are supplying PDS grains from FCI godowns to FPSs.
- A proper survey may be done to weed out bogus ration cards.
- Strict enforcement drives may be taken on regular basis to check illegal practices taking place in PDS supply from various quarters.

The above instructions shall be followed by all concerned strictly.
