

GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI
OFFICE OF THE COMMISSIONER OF EXCISE, ENTT. & LUX. TAX
L-BLOCK, VIKAS BHAWAN, I.P. ESTATE, NEW DELHI

Dated

CIRCULAR

No.F.1(51)/CE/(ESCIMS)/2013-14/ 688 - 92

Dated: 19/2/15

Subject: Use of HHT (Handheld Terminal).for receiving stocks supplied from Distilleries at the Bonded Warehouse.

As you are aware, Excise Supply Chain Information Management System (ESCIMS) is operational and effective in the Excise Department. The Department has sent multiple circulars / orders and also circulated standard operating procedures(SOPs) with respect to the procedural compliance that need to be adhered by all the stakeholders

It has been noticed that Bonded warehouses have been receiving stocks directly using the ESCIMS web interface and bypassing use of HHT's.

ESCIMS web interface for receiving stocks was developed in order to handle exceptional cases ONLY when HHT's cannot be used due to situations arising out of emergency and not in the normal course of receiving stocks.

It is hereby directed that all BWH's should use HHT enabled process for receiving the stocks against IP. Failure to do so will be viewed seriously by the Department and explanation will be called and necessary action shall be taken, which may include cancellation of License.

This issues with the approval of Commissioner of Excise.

(ADESHWAR KANT)

ASSTT.COMMISSIONER(ESCIMS)
