CORRIGENDUM - CIRCULAR

The Transport Department, GNCTD vide circular no. DC/OPS/2015/415/9403-07 dated 01.04.2015 granted registration approval for Base Model "CITYLIFE" manufactured by M/s JBM Auto Ltd. The testing agency in this case is ICAT Manesar, Gurgaon and vehicle is propelled on CNG fuel complying with BS-IV mass emission standards.

Accordingly, the following correction is made in the circular dated 01/04/2015 issued by this department:

1. The name of designated testing agency be read "**ICAT Manesar, Gurgaon**" instead of ARAI, Pune.
2. In the last para of circular, the words "**To be registered under National Permit Category only**" are deleted since the vehicle is propelled on dedicated CNG & comply with BS-IV mass emission standards and thus eligible to be registered in NCT of Delhi.
3. The rest of the contents of circular remain same.
