Kind Attn.: Mr. Sanjeev Khirwar

Subject: Carrying of the weighing scales by the Deliverymen at the time of delivery of the LPG Cylinders.

Dear Sir,

We thank you for your letter F.1/Enf./2014/7576-57/303-307 dated 24-8-2015 on the above mentioned subject. We wish to inform you on receipt of the Order from the Hon'ble Supreme Court, instructions were given to the field vide our circular dated Sept. 21, 2012, to ensure that all delivery boys are given weighing scales and they should carry the same at the time of delivery so that the customer can weigh the cylinder before taking delivery.

We also wish to confirm that to make the consumer aware of his rights, every cash memo has the notation that the cylinder can be weighed at the time of delivery.

As desired, we have again issued a circular dated August 28th 2015, instructing the field that the deliverymen should carry the weighing scale so as to enable the consumer to weigh the cylinder at the time of taking delivery.

The above is for your kind information.

Thanking you,

Very truly yours,

1667/CCOM
