CIRCULAR

Sub: Scheme for utilization of Government school playgrounds before and after school hours as well as on holidays by the local community of that area.

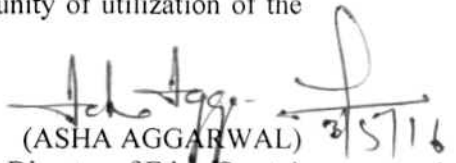

It had been observed by the Govt. that the students, youth and citizens of Delhi do not have open space for playing games. Either they have to go to parks in their localities for playing purposes or they use other electronic gadgets for their recreation. The parks of the localities are also not able to cater to the needs of the students from playing point of view as they are used by other elderly people, women, girls etc.

Hence, a need was felt to channelize the energies of the youth of the city in a constructive way. For channelizing their energy, it was decided that they should be given an opportunity to play regularly. In this manner, they will also be able to maintain good health.

Accordingly, the Govt. has decided to open the playgrounds of the Govt. schools to the local communities so that they can fulfill their dreams and play sports in their life.

To begin with, the Directorate has short listed 77 Govt. school playgrounds for utilization before and after school hours as well as on holidays by the local community of that area. Subsequently, the other schools will also be included under the policy after ascertaining the actual availability of playground. The entire scheme for utilization of the playgrounds is enclosed at Annexure-I and the list of the 77 Govt. school play grounds is enclosed at Annexure – II.

Hence, all the Heads of the concerned schools are requested to entertain the requests of the desirous entities who want to avail this opportunity of utilization of the playgrounds of the schools.
