**CIRCULAR**

**Subject:- Adjustment of left out EWS/DG category candidates selected in first round of computerized draw of lots for admission in Private Unaided Recognized Schools of Delhi at entry level classes for the session 2016-17**

On the basis of first computerized draw of lots for admission of EWS/DG category candidates in Private Unaided Recognized Schools of Delhi, list of successful candidates was forwarded online to the concerned school through special module generated for EWS/DG category admission. However, it came to the notice of the department that for various justified reasons, few successful candidates on the basis of first round of draw of lots could not be admitted against the seats allotted to them.

Directorate of Education considered these cases and decided that these candidates should be given another opportunity for admission in Private Unaided Recognized Schools under EWS/DG category. Thus, it has been decided that these candidates may be adjusted in any other school, as per the choices filled by the applicants in online application form, where vacancy exist after the completion of first round of EWS/DG category admission.

**Before the formal second round of draw of lots, during this adjustment round, a total of 187 candidates are being allotted schools for admission under EWS/DG category at entry level for the session 2016-17.**

Accordingly the names of these candidates are being forwarded online to the concerned school allotted to them for admission under EWS/DG category. The list of all such candidates along with the schools allotted is enclosed herewith.

All these candidates may approach the school allotted to them upto 14<sup>th</sup> of May, 2016 during school hours along with the requisite documents for admission under EWS/DG category.
