**CIRCULAR**

**Subject: - Adjustment of "Inwaiting" EWS/DG category candidates of first round of computerized draw of lots for admission in Private Unaided Recognized Schools of Delhi at entry level classes for the session 2016-17.**

As per the section 12(1)(C) of RTE Act, 2009, Private Unaided Recognized Schools are under obligation to provide admissions to EWS/DG category candidates to the extent of at-least 25% of the total strength of the entry level class.

Department had conducted computerized draw of lots for admission of EWS/DG category candidates in Private Unaided Recognized Schools of Delhi at entry level for the session 2016-17 and on the basis of computerized draw of lots, list of successful candidates to the tune of 25% of total seats declared by the concerned school management was forwarded online to the concerned school through special module generated for EWS/DG category admissions. Since the General category admission process is still going on in many Private Unaided Schools and thus the concerned schools have kept many students, allocated to them during first computerized draw of lots, under "Inwaiting" option to consider them later for admission in accordance to the seats filled against General category.

In case, the second round of computerized draw of lots is conducted without adjusting these "Inwaiting" candidates in any other school of their preference, then, there are chances that these candidates may not get admitted against EWS/DG category seats in the schools allotted to them, if such schools are not able to fill the full quota of General category seats.

Therefore, in order to safeguard the rights of these "Inwaiting" candidates, it has been decided by the Directorate to adjust these candidates and to allocate them in other school as per the preferences of these candidates where vacancies are available under EWS/DG category. The allocation made to these candidates during the first round of draw of lots shall be treated as cancelled and the candidates have to report to the new school allotted to them during this adjustment round of "Inwaiting" candidates.

It is, however clarified that in case of those "Inwaiting" candidates who will not be adjusted against other schools since the vacancies may not available in the other schools of their choice/preference, the schools allotted to them during the first round of lots shall remain valid.

Also, in addition to the 187 candidates who were adjusted vide circular No.DE.15/Act-I/08/155/2013/8669-8673 dated 11/05/2016, 06 remaining left out EWS/DG category candidates have also been adjusted and are allotted schools of their choice/preference where vacancy exist after the adjustment round of left out 187 candidates.

Accordingly the names of 947 (941+6) of "Inwaiting" and "left out" candidates are being forwarded online (through the link mentioned below) to the concerned school allotted to them for admission under EWS/DG category. The list of all such candidates along with the schools allotted is enclosed herewith.

All these candidates may approach the school allotted to them upto 24<sup>th</sup> of May, 2016 during school hours along with the requisite documents for admission under EWS/DG category.

The Manager/Principal of the concerned Schools are hereby directed to admit these candidates as per the department guidelines/instructions issued earlier regarding the EWS/DG category admission for the session 2016-17. Further, the Manager/Principal of the concerned schools are directed to update the status of all these adjusted candidates and 187 candidates allotted during left out adjustment round on the department website through the same link available on the website (School Plant -> EWS -> EWS/DG Result 2016-17 -> Adjustment Round Result of EWS/DG category 2016-17)

This issues with the prior approval of Competent Authority.
