CIRCULAR

Subject: - Adjustment of "Inwaiting" candidates & third round of computerized draw of lots for admission of EWS/DG Category in Private Un-Aided Recognized Schools at the entry level classes for the session 2016-17.

For admission of EWS/DG category candidates at entry level of the Private Unaided Recognized Schools of Delhi for the session 2016-17, Department has already conducted two rounds of computerized draw of lots.

Various circulars/orders were issued to the schools concerned for updating the admission status of EWS/DG category students allotted through computerized draw of lots on the departmental module. Also, a module was created to get the information regarding the General Category admissions done at their entry level(s) for the session 2016-17 to calculate the exact number of remaining EWS/DG category vacancies.

As per the information/data updated by the respective Schools on the respective online modules regarding the EWS/DG and General Category admissions done for the session 2016-17 in the schools, remaining EWS/DG category vacancies were calculated and circulated vide circular dated 14/10/2016 with the direction to the schools concerned to submit a written representation, in case of any discrepancy, within stipulated time period of one week ending on 21/10/2016. All the representations received from the concerned schools/districts within stipulated time limit were considered and the vacancy data was updated accordingly.

After the necessary updation, it was seen that few of the schools have kept EWS/ DG category candidates allotted in previous rounds under "Inwaiting" category. In order to safeguard the rights of these "Inwaiting" candidates, it has been decided by the Directorate to adjust these candidates and to allocate them in other school as per the preferences of these candidates where vacancies are available under EWS/DG category, as done earlier for the "Inwaiting" candidates of first round of draw of lots. Accordingly, 147 candidates have been adjusted.

Now, Department has conducted third computerized draw of lots on 26/10/2016 for the admission under EWS/DG Category at entry level against the remaining EWS/DG category vacancies in respective Private Unaided Recognized Schools for the session 2016-17. The total number of successful candidates during the third round of computerized draw of lots is 2941.

The applicants can check the individual result of third draw of lots using their Registration ID & Date of Birth at the link "EWS/DG Result 2016-17" in the module EWS/DG

Delhi
26/10/2016

Admission 2016-17 available on the Home page of departmental website www.edudel.nic.in. Further the complete list of successful candidates of third computerized draw of lots is also available through the link "EWS/DG third draw result 2016-17" available at scroll on the Home page of the department website.

All the successful candidates of third round of draw of lots (2941) and adjusted "Inwaiting" candidates (147) are requested to approach the allotted school along with all requisite documents by 15th November, 2016 during school hours for admission under EWS/DG category.

The school can check the details of the students/applicants allotted through third computerized draw of lots and adjustment round of "Inwaiting" candidates on the departmental website using the unique School ID and password through the link School Plant -> EWS/DG Result 2016-17. The Manager/Principals of the concerned Schools are hereby directed to admit these successful candidates as per the department guidelines/instructions issued earlier regarding the EWS/DG category admission for the session 2016-17 and update the status of all candidates on the department website through the same link.

Further, any duplicacy may be brought to the notice of the department (through the DDE of the District concerned) immediately for further necessary action.

For any clarification/grievance in this context, parents/schools may contact respective Dy. Director of Education (District/Zone)

This issues with the prior approval of the Competent Authority.
