CIRCULAR

Sub: Implementation of National De-worming Programme in all Private Schools of Delhi.

Directorate General of Health Services, Department of Health and Family Welfare, GNCTD has been successfully implementing National De-worming Programme in all Govt. and Govt. Aided schools of Delhi Government and local bodies in the past and intends to implement the said National De-Worming Programme also in all Private Schools of Delhi in February, 2017.

In the said programme, Albendazole chewable tablets will be distributed to all the schools for use as a single dose on 10-02-2017 for the students of VIth to XIIth classes which shall be provided in the school itself under the supervision of the class teachers.

In order to implement the said programme successfully, Addl. Director/Head, School Health Scheme, Directorate General of Health Services, Department of Health and Family Welfare, GNCTD vide e-mail dated 14-10-2016 (copy enclosed for ready reference) requested to supply the data of the private schools and the number of children enrolled with them from class 6th to 12th. For this purpose, DGHS will organize trainings in schools and establish supply chain management and set up ERS to deal with minor side effects of medication, if any.

Therefore, all the Heads of Private Unaided Recognized Schools of Delhi, who desire VOLUNTARILY to implement National De-Worming Programme in their schools, are hereby advised to contact Dr. Anil Kumar Gupta MD (Pediatrics), Addl. Director/Head, School Health Scheme, Directorate General of Health Services, Department of Health and Family Welfare, GNCTD through e-mail or phone (given in their letter dated 14-10-2016, annexed herewith) and provide the data of enrolment of students of class VI to XII in their schools to them and make necessary arrangements for training session in consultation with the said authority.

This issues with the prior approval of Competent Authority.

To,
 Directorate of Education
 GNCT of Delhi

Madam,

Hon'ble Health Minister of Delhi has directed to implement the National De-Worming Programme in all Private Schools as well as Govt. & Govt.-Aided schools in February 2017.

In order to successfully implement National De-worming programme on 10th Feb 2017, you are requested to kindly suggest further course of action required at the level School Health Scheme to get full cooperation from Private Schools.

SHS even do not have any data about the private schools and the number of children enrolled with them from class 6th to 12th. Please also guide as to how we can get this in short time as we have to also-give demand of Albendazole tablets and suspension to Govt of India.

madam, also as discussed telephonically please discuss the matter with Hon'ble Minister of Education for his information and guidance.

Thanking you

Regards

Sincerely

Dr. Anil Kumar Gupta
