Complaints have been received that adhaar cards of other states are being used fraudulently for getting ration cards in Delhi. Instances have been reported where fake names similar as mentioned in adhaar cards of other states have been added in ration cards in Delhi in connivance with officials of Food & Supplies Department for getting undue advantage of Govt subsidy under PDS system. Commissioner F&S has already directed all Zonal Assistant Commissioners to conduct special drive to eliminate such bogus/fake units besides taking appropriate action against defaulters. Such corrupt activities are punishable under Essential Commodities Act 1955. All officers need to take action against perpetrators of the crime.

All Zonal Assistant Commissioners/FSOs/Inspectors are directed to be more vigilant while examining application supported with adhaar cards of other states. Thorough enquiry/field verification be conducted and only genuine cases fulfilling eligibility criteria under NFS and found residing at the given address will be recommended/approved.

Strict disciplinary action will be taken against the officials found involved in wrongful verification of ration cards and inclusion of names of persons not actually residing in Delhi
