

OFFICE OF THE REGISTRAR COOPERATIVE SOCIETIES
GOVT. OF NCT OF DELHI, OLD COURT BUILDING
PARLIAMENT STREET, NEW DELHI

No. 1(189)/RCS/COMP-CC/2014 | Comerscs/460-471

Dated: 10/04/2015

To,
All Candidate (As per Candidate-list/Interview-Schedule attached)

Subject:- Regarding Interview/Typing Test as per Interview Schedule attached.

A three stages selection process for selection of DEO's among the candidates sponsored by ICSIL has been devised which will consist of following:-

- A. Academic Qualification
- B. Typing Test
- C. Interview

Scheme of marking will be as under:

QULIFICATION	MAX.MARKS ASSIGNED
10 th	10
12 th	10
Graduation	05
Typing Test	65
Interview	10
TOTAL	100

The calculation of net marks obtained by the candidate will be worked out in following manners for **academic qualification**:-

$$= \frac{\text{Maximum Marks Assigned} \times \% \text{ score}}{100}$$

For example : If a candidate is secured 67% of marks in class 10th his net marks for the purpose of calculation is merit will be as under:

$$\frac{10 \times 67}{100} = 6.7$$

Typing Test = The speed of 50 WPM will be consider as 100% efficiency. Candidate of less than 35 WPM will not be considered. The net marks obtained will be calculated on basis of the average of typing speed and accuracy which will be calculated through software programme.

The formula for calculation will be as under:-

$$\% \text{ speed of candidate} = \frac{100 \times \text{Candidate's Speed in WPM}}{\text{Model Speed (Maximum i.e. 50 WPM)}}$$

For example, if a candidate has speed of 43 WPM his % speed would be calculated as under:

$$\frac{100 \times 43}{50} = 86\%$$

Accuracy of Typing will be calculated through Software and % of efficiency will be calculated as per following formula:-

$$\% \text{ efficiency of candidate} = \frac{\% \text{ speed of candidate} + \text{accuracy of candidate}}{2}$$

For example, if the % speed of candidate works out to 86% and as per the computer software his accuracy is 93% the percentage efficiency will be:

$$\frac{86+93}{2} = 89.5\%$$

$$\text{Calculation of marks} = \frac{\text{Max.marks assigned} \times \% \text{ efficiency}}{100}$$

$$\frac{65 \times 89.5}{100} = 58.1$$

The final merit will be prepared after adding the score obtained in the interview taken by the board.

The Interview held on 11.03.2015 to 13.03.2015 has been cancelled by the Competent Authority.

All the Candidates are therefore directed to attend the Interview as per schedule attached with all relevant documents to help us in preparing their merit.

(G.S. AGGARWAL)
DEPUTY RCS-01
