Sub:-Observance of "World Health Day" in schools on 7<sup>th</sup> April 2017.

Sir/Madam,

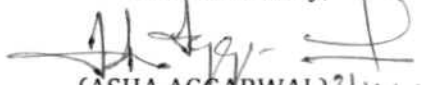

For holistic development of a child, fit body is the need of the day. A child can keep himself/herself fit if he/she is free from any disease. The 'World Health Day' is observed every year on 7<sup>th</sup> April with the purpose to create interest and inculcate the significance and importance of maintaining good and sound health of school children.

The issue to be focused on the occasion are to educate a child above the general principles of health and hygiene, immunization against diseases, maternal and child health, benefits of small family norms, preventive aspects of communicable diseases like Dengue, Swine Flu, H1N1 flu, Chikungunia, Tuberculosis, Leprosy, Malaria etc.

You are therefore requested to observe/celebrate this important day in your school on 7<sup>th</sup> April 2017 by way of debate, poster making, inviting doctors/experts of this field in your school, and have an interactive session with the students.

A report along with action photographs may be sent to this office for apprising the higher authorities.

Yours faithfully,

  
(ASHA AGGARWAL) 31/4/17  
Deputy Dir. of Edn. (Sports)  
/ Hony Secy., JRC
