Dear Sh. Tapeswar,

As you may be aware, Swachh Bharat Mission is one of the important flagship programmes of the Government of India that was initiated by our Prime Minister to fulfil Mahatma Gandhi's dream of clean and hygienic India.

2. In order to derive maximum benefit from this programme, it is important that our student community must know and be aware of the mission. So, to initiate our students towards this mission, it has been decided to incorporate following activities in the Youth Parliament Competitions:-

- (i) Every participating School may organize the pledge taking ceremony on Swachhta Campaign before the start of the Youth Parliament Session.
- (ii) Every participating School may spread the message of Cleanliness by using banners/ posters/ backdrops on Swachhta Abhiyan of the Government during the Youth Parliament Session.
- (iii) Atleast one subject may be taken in the List of Business on the Swachhta Campaign of the Government of India.
- (iv) Conducting cleaning programme in and around the School and exhibiting the same through the photographs during the Youth Parliament Session for promoting the Swachhta Abhiyan of the Government.

3. It is mandatory for every participating School to carry out the above activities which will be monitored through the action taken report required to be sent by the Schools to this Ministry. Each participating School will be reimbursed the amount of Rs 2000/- for carrying out the above activities.

4. I shall be grateful if you could issue necessary instructions to all the concerned for strict compliance.

Yours sincerely,
