CIRCULAR

National Children Science Congress (NCSC) is a flagship programme of NCSTC, Deptt. of Science & Technology, Govt. of India. It inculcates the scientific thinking and spread the method of science among the children by their project activities adopting the principal of learning through doing. Network of Organization for Science and Technology Communication (NDSTC) is coordinating the activity of CSC in Delhi State on behalf of NCSTC-DST, Govt. of India.

Children Science Congress (CSC) programme is open for all children, School going children as well as children outside the formal boundaries of Schools in the age group of 10 to 17 years (10-14 years Junior Group & 14 to 17 years Senior Group Age has to be calculated as on 31/12/2017). The programme is theme based and the Focal theme of NCSC for this year is Science, Technology and Innovation for Sustainable Development with the following sub-themes i.e.,

- | | |
|----------------------------------------|----------------------------------------------|
| i. Natural Resource Management, | ii. Food and Agriculture, |
| iii. Health and Hygiene and Nutrition, | iv. Disaster Management, |
| v. Energy, | vi. Life Style and livelihood, |
| vii. Traditional knowledge systems | viii. Accessibility for a person of disabled |

(Details also available on the Website: www.ncsc.co.in)

A half day workshop is being planned to spread awareness and sensitize them for participation with full enthusiasm in the activity.

The workshop is planned Science Centre Wise. One teacher from each Govt. School will participate in the workshop.

Proposed programme is as under:-

Date	Time	Sc. Centre	Time	Sc. Centre
17/08/2017	10.00 am to 12.30 noon	Centre I	02.30 pm to 05.00 pm	Centre II
18/08/2017	10.00 am to 12.30 noon	Centre III	02.30 pm to 05.00 pm	Centre IV

Science Centres	Districts
Science Centre – I	North, North West A & North West B
Science Centre – II	South West-A, South West-B, South & South East
Science Centre – III	West-A, West-B, & Central/New Delhi
Science Centre – IV	East & North East

Therefore all HOS are directed to depute one Science teacher (TGT/PGT/Regular or Guest teacher) from their School to attend the workshop. Who will further disseminate the information to HOS as well as fellow teachers for participation in the programme.

Non compliance will not be appreciated

To,
The Principal/ Headmaster
NCT-Delhi.

Subject: Organization of District and State Level Children's Science Congress (CSC) in NCT Delhi- Reg.

Sir/Madam,

The National Children's Science Congress is a flagship programme of National Council for Science & Technology Communication (NCSTC), Department of Science and Technology, Ministry of Science and Technology, Govt. of India, New Delhi. Network of Organizations for Science and Technology Communication (NOSTC) is the State Coordinating agency for this program in NCT-Delhi. The activities of CSC are being organized jointly by the NOSTC and Science and TV Branch, Directorate of Education, Delhi Govt. in Delhi State since its inception. NOSTC is actively pursuing development of resource material for the more effective learning and teaching of science and maths in schools. We invite your full support in our activities. The letter is focused on improving the Children's Science Congress (CSC).

CSC is a platform for young researchers in the age group 10 to 17 (divided in to two groups Junior where all members are below 14 years as on 31.12.2017 and Senior Group) to pursue their curiosity and quench their thirst in the field of Science. The CSC programme is theme based; the theme for this year is "Science, Technology and innovation for Sustainable Development" (With special emphasis on Accessibility for persons with Disabilities. The details are given in the Website (www.ncsc.co.in).

Please encourage bright students of your institution to visit the website with the help of a guide teacher.

In this context, you are invited to select at least one from junior category and one from senior Category and propose innovative research projects as per the guideline for participation in the CSC 2017 and enroll the groups on the said website www.ncsc.co.in new group registration. Mentor teachers may be encouraged to guide the research.

Updates will be sent to the registered email addresses. 15 projects from each district will be selected for the central level CSC, whereas, 10 best projects from each centre will be selected for the State level CSC. 08 projects will be selected for participation in the national event of the Children's Science Congress will take place at Gandhinagar, Gujarat from 27th to 31st December 2017.

For any query related to event kindly contact Zonal convener, Directorate of Education NCT Delhi.

Regarding registration and other support kindly contact Shri S.K Sinha, Gen. Sec. NOSTC, Delhi on his mobile no. 9879896331 or send mail to ncstc.org@gmail.com

DDE/Sc.

Madam/Sir,

National Children's Science Congress is a flagship programme of NCSTC, Dept. of Science and Technology, Govt. of India. It is targeted to spread the concept of the method of science among the children their project activities adopting the principle of learning through doing'. The mandate of participation is that, the children will carry out a project on a particular topic in relation to theme and sub-theme decided for the year. The Theme has been decided for the year 2017 is Science, Technology and Innovation for Sustainable development with the sub-themes viz. Disaster management, energy, food & agriculture, Health Hygiene & Nutrition, Lifestyle and livelihood, Natural Resource Management, Traditional Knowledge System. It is noteworthy that, CSC programme is not only for the school going children but is also open for the children outside the formal boundary of schools, in the age group of 10 to 17 years (where 10 to 14 years is considered as junior group and 14 + to 17 years as senior group).

Network of Organizations for Science and Technology communication, Delhi is the State Coordinating Agency for this programme in this UT and organizes the activities of NCSC in Delhi since its inception at Zonal/district/Centre and state level in collaboration with Science and TV branch of Directorate of Education, NCT Delhi.

In continuation of the above, I propose to organize the Zonal/districts/Centre and state level Children's Science Congress in NCT Delhi in collaboration with the Directorate of Education as we are organizing the activities since its beginning. The financial expenditure will be borne by Network of Organizations for Science and Technology communication, Delhi as per the direction/ Sanction of the NCSTC, DST, Govt. of India.

It is therefore, requested to permit us to organize the District and State level Children's Science Congress in Delhi State with the required logistics support for the success of the event. Also a directive may kindly be issue to the schools for online registration of children through the website by login ncsc.co.in

With regards,

Yours' Faithfully
