GUIDELINES FOR RECOGNITION OF MERITORIOUS TEACHERS IN 28 GOVT. OF DELHI FUNDED/FINANCED COLLEGES OF DELHI AND SCHOOLS OF STATE UNIVERSITIES

A. Background

1. Government of Delhi funds and finances 28 colleges (*12 colleges, 100% funded & 16 colleges, 5% funded*) affiliated to University of Delhi. *Further three State Universities namely Guru Gobind Singh Indraprastha University, Ambedkar University Delhi & National Law University are functioning under the charge of the Directorate of Higher Education.* The contribution of these colleges/schools of State Universities to the creation of knowledge-based society in Delhi is significant. The faculty of a college/schools of State Universities is the most important asset that needs to be nurtured. More importantly *an educational institution* is known more by the names of teachers on its faculty roll than by its physical infrastructure. The purpose of this scheme is to formally acknowledge the tremendous contributions that teachers in Delhi are making *in higher education* towards building up of a society that values excellence in education. It is therefore only natural for the Government to reward teachers who have shown considerable zeal and enthusiasm in their work. The idea behind rewarding teachers who perform well is to not only to publicly recognize their contribution and talent in the field of education, but to motivate them to perform even better in future.
2. *Previously this award was awarded every year to one lecturer from each college of 28 Delhi Govt. funded colleges of Delhi University. Now it is proposed to extend this award scheme to one lecturer from each school of State Universities i.e. GGSIPU, AUD & NLU in order to motivate lecturers for improvement in imparting higher education.*
3. These guidelines have been drawn to select the best-performing teachers from Colleges and Schools of State Universities financed by Government of Delhi. The guidelines take into account the feedback from students, contribution made by a teacher in improving results, in research work, in extra-curricular activities and other spheres of academic life.
