Comments on the action taken on reports of the financial committees  
PRO 12.29

**12.12** Once a financial committee has presented its report to the Lok Sabha giving its comments on the action taken by the Ministry/Department concerned on its original report, it may normally be regarded as the completion of the process of examination so far as the committee is concerned. If, however, in the 'action taken report' presented by the committee, it has been pointed out that replies to certain recommendations in the original report are still outstanding, the Ministry/Department concerned will furnish its replies to the outstanding recommendations even after the 'action taken report' has been presented to the Lok Sabha.

Circulation of administrative reports etc. to members of financial committees

PRO 12.1 and 12.2

**12.13** Copies of the annual reports of Ministry/Department will be supplied separately for use in these committees on specific request made by the Lok Sabha Secretariat in this regard.

Supply of information regarding setting up of new government companies/statutory Corporations to the Committee on Public Undertakings  
PRO 12.3

**12.14** Soon after a Government company or a statutory corporation is set up, the administrative Ministry/Department will send to the LS Secretariat for the information of the Committee on Public Undertakings:

- (a) an intimation regarding its formation;
- (b) two sets of articles and memorandum of association/statute relating thereto; and
- (c) a copy each of the annual reports and accounts of the company/corporation and the budget estimates, if presented to the Lok Sabha.

Conduct and etiquette for guidance of witnesses appearing before Committees of Parliament

**12.15.1** A witness appearing before a committee of Parliament is expected to behave in a dignified manner. In particular, he will:

- (a) show due respect to the Chairman of the committee/sub-committee by bowing while taking his seat;
- (b) take the seat earmarked for him;

21/c

- (c) take the oath/make affirmation, if so asked by the Chairman and, while doing so, stand and bow to the Chair just before taking the oath/making the affirmation; PRO 11.14
- (d) answer specific questions put to him either by the Chairman, or by a member of the committee or by any other person authorised by the Chairman;
- (e) make all submissions to the Chair and the committee in courteous and polite language;
- (f) bow to the Chair when asked to withdraw after completion of his evidence;
- (g) not smoke or chew, when before the committee; and
- (h) note that subject to the provisos of LSR 270, the following acts would constitute breach of privilege and contempt of the committee:
  - (i) refusal to answer questions;
  - (ii) prevarication or wilfully giving false evidence or suppressing the truth or misleading the committee;
  - (iii) trifling with committee or returning insulting answers; and
  - (iv) destroying or damaging a material document relating to the enquiry.

**12.15.2** Where an officer wishes to rely upon any of the provisos to rule 270 [vide sub-para (h) of para 12.15.1 above], he should not state the matter in the form of an objection then and there before the committee, but give an interim reply that it is necessary for him to look into the papers and take a little time before giving an appropriate or a considered reply to the question. He can then get in touch with the Chairman or the Secretary of the committee and state his difficulties. The Chairman will then indicate to him what further steps he should take in the matter and whether it is necessary to bring the Minister into the picture or not.
