Dated: 01/11/2018

It has been observed by this department that the Executive Engineer, PWD, GNCT of Delhi under whose jurisdiction the Residential Campuses of DTTE Pool fall, often send the 'Estimates' to the Planning Branch of this Department, for obtaining Administrative approval and Expenditure Sanction, for carrying out specific repair works in the Residential Campus on individual requests submitted to them directly by the allottees including requests for works making structural changes in the Government flats against approved building plans. .

Henceforth, no such estimates shall be made by PWD and entertained by this department, unless and until the requirement of the specific repair work in the residential campus quarter is considered and approved by the Competent authority of this Department and requests are sent by this Department to PWD for submitting estimates.

However, urgent repair works of the quarters in the Residential Campuses may be carried out by the PWD as per the norms of CPWD PWD, from the PWD's maintenance funds.

This issues with the prior approval of the Competent Authority.
