Circular education.jpg;

Sir/Madam

Received attached circular from your office regarding Mop Up day on 24th August 2018 and discontinuation of tab. Albendazole of batch no.360944. As informed earlier by mail dated 16th August 2018, it is again informed that the said batch of Tab Albendazole 400 mg i.e. **Batch No 360944** has been **re-tested from Govt approved lab** and has been found of **STANDARD QUALITY . So It's safe for use and can be used on Mop Up Day**. Kindly issue immediate directions to all DDEs, RDEs and HOS regarding this, so that there shall not be any confusion and setback to implementation of National Deworming Mop up Day on 24th August 2018.

Regards,

Dr Amod L. Borle
