CIRCULAR

Sub: Regarding Participation of Schools in the "ATL Innovation Marathon, 2018" under Atal Innovation Mission (AIM) – NITI Aayog.

Atal Innovation Mission is establishing Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster innovation in young minds; and inculcate skills such as design mindset, computational thinking, etc. (Copy Enclosed)

To identify India's best student innovators, AIM organized the Atal Tinkering Marathon, a nationwide challenge across six focus areas viz. Clean energy, water resources, waste management, healthcare, smart mobility and agri-tech.

This year, on Teacher's day, 5th September, 2018. AIM has launched the ATL Innovation Marathon 2018 with the goal to identify the best innovations of India, from the student community. The goal is to encourage the young minds across India to participate in the challenge, select the top innovations, offer mentorship from industry expert, and help them evolve into young innovators.

So, all the HOS/Principals of Govt. Govt. Aided & Private Recognized Schools of Delhi are hereby advised to participate in the ATL Innovation Marathon 2018 by applying here: <http://bit.ly/InnovationMarathon2018>.

To,
Heads of all Govt., Govt. Aided and Private recognized schools.

DDE District with the request to kindly encourage schools to apply on – line for ATL Innovation Marathon 2018.

Dear Shri. Diwan Chand,

With a vision to 'Cultivate one Million children in India as Neoteric Innovators', Atal Innovation Mission is establishing Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster innovation in young minds; and inculcate skills such as design mindset, computational thinking, etc. Till date, 5441 schools have been selected for establishment of ATLs.

To identify India's best student innovators, AIM organized the Atal Tinkering Marathon, a nationwide challenge across six focus areas viz. Clean energy, water resources, waste management, healthcare, smart mobility and agri-tech. From over 650+ innovations received, top 30 innovations were identified from 20 different states and Union Territories in India. These top 30 innovations were published in a compendium released by Dr. Rajiv Kumar, Vice Chairman of NITI Aayog. Booklet link: <http://aim.gov.in/pdf/top30final-low.pdf>. The Top 30 teams are awarded with several prizes with a special focus to convert their innovations to products.

This year, on Teacher's day, 5th September, 2018, AIM has launched the ATL Innovation Marathon 2018 with the goal to identify the best innovations of India, from the student community. The goal is to encourage the young minds across India to participate in the challenge, select the top innovations, offer mentorship from industry experts, and help them evolve into young innovators.

We request you to encourage all school/ATLs in your state to participate in the ATL Innovation Marathon 2018 by applying here : <http://bit.ly/InnovationMarathon2018>.

Shri. Diwan Chand, IAS Education Secretary
Government of NCT of Delhi, Department of Education
Room No. 6, Directorate of Education New Delhi - 110054
DELHI
