ANNEXURE- V

(CHAPTER – 4 SPECIAL MEASURES TAKEN BY THE ELECTION COMMISSION TO ENFORCE MODEL CODE)

Election Commission's letter No. 464/INST/2007-PLN-I Dated: 07.01.07 addressed to The Chief Secretaries and the Chief Electoral Officers of all States and Union Territories.

Subject: CODE OF CONDUCT – DOs & DONT's

The Commission has issued various instructions on observance of code of conduct from time to time. Important aspects of the code of conduct are reiterated below:

On Welfare schemes and governmental works:

1. Announcement of new projects or programme or concessions or financial grants in any form or promises thereof or laying of foundation stones, etc., which have the effect of influencing the voters in favour of the party in power is prohibited.
2. These restrictions apply equally to new schemes and also ongoing schemes. But it does not mean that in the case of national, regional and State utility schemes, which have already been brought up to the stage of completion, their utilization or functioning in public interest should be stopped or delayed. The coming into force of the Model Code of Conduct cannot be given as an excuse for not commissioning such schemes or allowing them to remain idle. At the same time, it should be ensured that the commissioning of such schemes is done by civil authority and without associating political functionaries and without any fanfare or ceremonies whatever, so that no impression is given or created that such commissioning has been done with a view to influencing the electorate in favour of the ruling party. If in doubt, a clarification should be obtained from Chief Electoral Officer/Election Commission of India.
3. It is further clarified that simply because a budget provision has been made for any particular scheme or the scheme has been sanctioned earlier or a reference to the scheme was made in the address of the Governor or the budget speech of the Minister it does not automatically mean that such schemes can be announced or inaugurated or otherwise taken up after the announcement of elections while the Model Code of conduct is in operation, since they will clearly be intended to

influence the voters. Such actions if undertaken will be considered a violation of the model code of conduct.

4. No fresh sanctions for governmental schemes should be made. Review by political executive (Ministers etc.) and processing of beneficiary oriented schemes, even if ongoing, should be stopped till completion of elections. No fresh release of funds on welfare schemes and works should be made or contract for works awarded in any part of the state where election is in progress without prior permission of the Commission. This includes works under the Member of Parliament (including Rajya Sabha members) Local Area Development fund or MLAs / MLCs Local Area Development Fund, if any such scheme is in operation in the state.
5. No work shall start in respect of which even if work orders have been issued before the model code came into effect, if the work has actually not started in the field. These works can start only after the completion of election process. However, if a work has actually started, that can continue.
6. There shall be no bar to the release of payments for completed work(s) subject to the full satisfaction of the concerned officials.
7. Commission does not refuse approval for schemes undertaken for tackling emergencies or unforeseen calamities like providing relief to people suffering from drought, floods, pestilences, other natural calamities or welfare measures for the aged, infirm etc. In these matters, however, prior approval of the Commission should be taken and all ostentatious functions should be strictly avoided and no impression should be given or allowed to be created that such welfare measures or relief and rehabilitation works are being undertaken by the Government in office so as to influence the electors in favour of the party in power which at the same time will adversely affect the prospects of the other parties.

On Transfers and posting of officials:

The Commission directs that there shall be a total ban on the transfer of all officers/officials connected with the conduct of the election. These include but are not restricted to: -

- (i) The Chief Electoral Officer and Additional/Joint/Deputy Chief Electoral Officers;
- (ii) Divisional Commissioners;
