- a) The Commercial Bids of the bidders, who qualify in technical Bid evaluation, will be opened just after the clearance of Technical evaluation in the office of Deputy Director (Plg.), TTE, Delhi in the presence of Bidders' representatives who choose to attend.
- b) The Bidders' representatives who are present shall sign attendance register / sheet evidencing their attendance.
- c) In the event of the specified date of Bid opening being declared a Government holiday the Bids shall be opened at the appointed time and location on the next working day.

13. EVALUATION AND COMPARISON OF BIDS

- a) The purchaser will evaluate and compare the Bid Price for each item, which have been determined to be substantially responsive as per the clause-1
- b) The price evaluation of a Bid will be as per B.O.Q. No other charges will be paid or considered.

- 14. PURCHASER'S RIGHT:** The purchaser reserves the right to accept or reject any Bid, and to annul the Bid process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders of any obligation to inform the affected Bidder or Bidders of the grounds for the purchaser's action.

15. NOTIFICATION OF CONTRACT AND PLACEMENT OF SUPPLY ORDER

- a) Prior to the expiration of the period of Bid validity, the purchaser will notify the successful Bidders in writing that its Bid has been accepted.
- b) The notification of award will constitute the formation of the contract.
- c) Upon the successful Bidder's furnishing of Performance Security, the purchaser will promptly notify each unsuccessful Bidder and will discharge its EMD.

16. SIGNING OF CONTRACT

- a) At the same time as the purchaser notifies the successful Bidder that its Bid has been accepted.

- b) Within 7 days of receipt of the award letter of supply order, the successful Bidder shall sign and date the contract and return it to the purchaser.

17. PERFORMANCE SECURITY

- a) The successful Bidder has to deposit a performance security, which will be the 10% (Ten percent) of the total value of contract. The performance security should be in the form of FDR / Bank Guarantee from a commercial bank in favour of D.D.O. DTTE. The Performance Security (Security Money) shall bear no interest. The Performance Security should valid for a period of 60 days beyond the completion of all contractual obligations by the supplier including warranty / guarantee period. The performance security will be forfeited in case the successful Bidder fails to supply as per the contract /supply order or fail to meet the obligations under warranty / guarantee period.
- b) Failure of the successful Bidder to furnish the Performance Security shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid security (EMD).

18. DELIVERY & INSPECTION

- a) Delivery of Machines will be made in the individual Institutes, as per details mentioned in Annexure-VIII
- b) The inspection of the Machines shall be carried out to check whether the Goods are in conformity with the technical specifications attached to the contract.
- c) The final inspection of the ordered Machines shall be carried out by the Technical Expert Committees duly constituted by the DTTE (H.Q.).
- d) Firms fail to supply the items as per specification mentioned in the contract within stipulated time, its performance security will be forfeited.
- e) **The bidder will make the arrangement at their own cost for inspection of the Machines and Test Job Machining & the Test job material (Mild Steel Block) will be provided by the bidder during the final inspection, before dispatch at bidder's site. The cost for 4 (Four) Inspection team members for 3 (Three) Days visit along with the to & fro Journey (By Air) with Accommodation to be arranged by the bidder outside the Delhi NCR & complete expenditure will also be borne by the bidder.**

a) WARRANTY

- a) Bidders must give a three year comprehensive on-site warranty from the date of successful installation of Equipment against any manufacturing defects and also give the warranty declaration that "everything to be supplied by us hereunder shall be free from all defects and faults in material, workmanship and shall be of the highest quality and material of the type ordered, shall be in full conformity with the specification and shall be complete enough to carry out the experiments, as specified in the tender document. Any deviation in the material and the specifications from the accepted terms may liable to be rejected and the bidders need to supply all the goods in the specified form to the satisfaction / specifications specified in the order / contract and demonstrate at their own cost.
- b) Any deviation in the material, and the specifications from the accepted terms may liable to be rejected and the bidders need to supply all the goods in the specified form to the satisfaction / specifications specified in the order / contract and demonstrate at the their own cost.
- c) The supplier warrants that the Machines supplied under this contract are new, unused and most recent. The supplier further warrants that the Machines supplied under this contract shall have no defect arising from design or materials or workmanship or from any act or omission of the supplier that may develop under normal use of the supplied goods in the conditions at consignee place.
- d) This warranty as stated above shall remain valid for 3(three) Years or more as given by the Original Equipment Manufacturer after the goods, or any portion thereof as the case may be, have been delivered and commissioned to the final destination indicated in the contract.

- e) The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- f) Upon receipt of such notice, the supplier shall, within the stipulated period as per notice, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- g) If the supplier, having been notified, fails to remedy the defect(s) within stipulated period, the Purchaser may proceed to forfeit the Performance Bank Guarantee.

19. PENALTY FOR LATE DELIVERIES

- a) If the supplier fails to deliver any or all of the goods or to perform the services within delivery period up to 8 weeks, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as penalty for late deliveries @ 1% per week of the cost for undelivered items.
- b) Once the maximum deduction of 8% is reached, the purchaser will terminate the contract and forfeits the Performance Security for undelivered goods.

20. PAYMENT

- a) The Supplier's request for payment shall be made to the Joint Director, Department of Training & Technical Education, Delhi in writing, accompanied by an invoice /Bill describing, as appropriate, the Machines delivered, rate and amount.
- b) Payments shall be made promptly by the Purchaser but in no case later than sixty days of after submission of an invoice / bill or claim by the supplier.

21. PURCHASER RIGHT TO VARY QUANTITIES AT THE TIME OF AWARD

The purchaser reserve the right at the time of award of contract to increase or decrease the quantity of goods specified in the schedule of requirement without any change in price or other terms & conditions.

22. TERMINATION FOR DEFAULT

The purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, terminate the contract in whole or in part:

- (a) If the supplier fails to execute the supply order by the date specified in the order or within any extension thereof granted by the purchaser.
- (b) If the supplier fails to perform any other obligation(s) under the contract.
- (c) If the supplier, in the judgment of the purchaser has engaged in corrupt or fraudulent practices in executing the contract.

23. FORCE MAJEURE

- a) Notwithstanding the provisions of clause 17, 20 the supplier shall not be liable to forfeiture of its performance security, liquidated damages of termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure.
- b) "Force Majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the purchaser either in its sovereign or contractual capacity, wars or revolution, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- c) If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternatives means for performance not prevented by the force majeure event.

24. RESOLUTION OF DISPUTES

- a) The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.

b) Any dispute is subject to the jurisdiction of Delhi courts only.

25. SITE INSPECTION

Bidders are advised to inspect the site of the institute and its surroundings where these Machines are to be installed and satisfy them before submitting their tenders. A bidder shall be deemed to have full knowledge of the work whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed.

26. LANGUAGE

The Proposal should be filled by the bidders in English language only. If any supporting documents submitted are in any language other than English, translation of the same in English language is to be duly attested by the Bidders. For purposes of interpretation of the documents, the English translation shall govern.

27. TECHNICAL QUALIFICATION CRITERIA

- a) Bidders who meet the eligibility requirements of Technical Bid would be considered as qualified to move to the next stage of Financial evaluations.
- b) The Product offered should meet all the technical and functional specifications given in the Annexure-I& II. Non-compliance to any of the technical and functional specification will attract rejection of the proposal.

28. SPECIAL INSTRUCTIONS:

- a) Supplier/ Bidder must ensure to upload the requisite document along with the Check list as per Annexure-VI.
- b) No Bid from the Black listed firm declared by the Department will be accepted.
- c) The Supplier holder should supply the goods / stores / material/(s) in fresh and sound condition meeting with the specification. Refurbished or second-hand goods / stores / material/(s) will not be allowed under any circumstances. If such case is noticed, than the store will be rejected out rightly and penal action will be taken against the Supplier.
- d) All goods / stores / material(s) shall be suitably packed in weatherproof packing for rail and / or road or other appropriate transport within India. The Supplier shall ensure that the packing is as per the technical specifications as provided in the Annexure-I of the Tender Document and is strong enough to ensure safety and preservation of the goods / stores / material(s) upto the consignee's destination or other point of final destination and entire liabilities for safe delivery at destination will rest with the supplier.

29. Training:

Bidders need to provide at least 10 (ten) Days training to the nominated persons to above Institute of Technology or Industrial Training Institutes at their cost. Institute of Technology or Industrial Training Institutes will not bear any training expenditure. Training & application support must be provided within warranty period and there-after free of cost. Further, the consumables etc. if required during installation/training/demonstration have to be arranged and provided by the bidder free of cost.

30. Warranty Declaration:

Bidders must give a three year comprehensive on-site warranty from the date of successful installation of Equipment against any manufacturing defects and also give the warranty declaration that "everything to be supplied by us hereunder shall be free from all defects and faults in material, workmanship and shall be of the highest quality and material of the type ordered, shall be in full conformity with the specification and shall be complete enough to carry out the experiments, as specified in the tender document. Any deviation in the material and the specifications from the accepted terms may liable to be rejected and the bidders need to supply all the goods in the specified form to the satisfaction / specifications specified in the order / contract and demonstrate at their own cost.

Details of AMC after the warranty period should be clearly mentioned.

31. TECHNICAL REQUIREMENTS

- a) The successful bidder shall supply higher specification if required. The bidder shall procure and supply all components as per requirements of the Tender Document.

The bidder shall be responsible for supply of the individual Machine and installation at motioned institute in Delhi.

- b) All Machines and software shall be licensed in the name of Individual institute and will be the property of Individual institute. The Bidder has to prepare and submit a delivery report including details of all components supplied prior to commencement of delivery. The delivery report will be validated by DTTE/ Individual institute.
- c) Successful bidder will be expected to bring all the installation equipment and tools required for the installation of the Machine. All the work shall be done in a conscientious manner as per the OEM guidelines and best industry practices. The machines shall be subjected to inspection at various stages. Local regulation/codes shall be followed at all times. The Successful Bidder shall follow all Safety Regulations and Practices at the time of installation and implementation.
- d) The Successful Bidder shall not cause any damage to buildings/installation site and property and will perform restoration to the original condition to the satisfaction of Board authorities, if any damage occurs.
- e) **Acceptance Test (AT)** shall be conducted, after successful commissioning by bidder. The tests to be carried out, test procedures, test schedules, test equipment and tools, and expected test results are to be carried out by the vendor to meet all the specified parameters/ service requirements and shall demonstrate compliance to Technical Specification. The same will be approved by DTTE/ Individual Institute. The date on which Final Acceptance Certificate is issued shall be deemed to be the date of successful commissioning of the Machines.
- f) The bidder shall provide such packing of the systems as is required to prevent their damage or deterioration during shipment. The Bidder shall promptly repair or replace any Machine that is damaged in transit. The packing, marking, and documentation within and outside the packages shall also comply strictly with the requirements. The Bidder shall insert in each case a packing list, fully itemized to show case number, contents, gross and net weight, and cubic measurement.
- g) The bidder should provide all relevant documentation including:
 - i. Original Manuals, Data Sheets, Installation Documents and any other documents relevant to the Machine /hardware, software peripherals supplied by the Bidder.
 - ii. Documentation should be provided by the selected Bidder on a regular basis as and when desired by DTTE/ Individual Institute during the entire period of Contract.
- h) The Bidder shall create an MIS Report with list of complaints and the solutions provided and send to DTTE/ Individual Institute every month mentioning the performance status of all Machine and Software supplied by the bidder for the previous month. The monthly report should include:
 - i. Issues / Complaints report to be maintained in a physical log book duly signed by successful bidder and to DTTE/ Individual Institute at the end of every month
 - ii. Summary of systems rebooted or formatted
 - iii. Consolidated SLA / non-conformance report
 - iv. Software license violations
 - v. Monthly preventive maintenance report

CNC MILLING/ VERTICAL MACHINING CENTRE

Machine Specifications

2- TABLE

- Clamping Area – 350 X 600 Mm
- T-Slots/Width/Cd Of T-Slots – 3/14/125
- Maximum Safe Load On Table – 350 Kgs
- Distance Between Table And Spindle Face – 150 – 500 Mm

3- AXIS DRIVE

- Feed Rates – 1 – 10000 Mm/Min
- Rapid Traverse X/Y/Z Axis – 32/32/32 M/Min

4- AUTO TOOL CHANGER

- No. Of Tools – 12
- Maximum Tool Diameter With Adjacent Pocket Full/Empty – 80/125 Mm
- Maximum Tool Length – 200 Mm

5- ACCURACY (AS PER VDI/DGQ 3441 STANDARD)

- Positioning - 0.008 Mm (With Laser Inspection)
- Repeatability \pm 0.005 Mm 9 (With Laser Inspection)

6- Air Compressor (8 – 12 BAR), 3 HP

7- TRAVERSE

- X –Axis – 450 Mm
- Y-Axis – 350 Mm
- Z – Axis 350 Mm

8- SPINDLE

- Fanuc Cont./30 Min Rating – 3.7/5.5 Kw
- Speed – 10 – 8000 Rpm
- Taper – Bt 40

9- CNC CONTROLLER / SYSTEM OF FANUC/ SIEMENS

- Oi Mf With Rs 232 Serial Interface/ USB Port and DNC Software
- Air Conditioner For Electric Cabinet

10- 3-PHASE SERVO VOLTAGE STABILISER: To Meet The Power Requirement Of The Machine

Accessories

- 3 Tier Lamp – 1 No.
- Coolant Gun – 1 No.
- Air Gun – 1 No.
- d) Air Nozzle/ Ring – 1 No. for Dry Cutting**
- Pcmcia Card – 1 No.
- Mobile Mpg

Precision swivel base machine vice 200 mm jaws with T-bolts
Basic Clamping kit (T-bolts, nuts, strap jaws etc.) – one set

Tooling / Adaptors

- a) Collets Chuck WCCH /ER 32/ER-16/ER-40 – 70/ BT 40 – 2 Nos. Each**
- ERB Collets 1 Mm To 25 Mm By Step Of 1 Mm – 2 Sets
- Edge Finder Infrared/ Digital – 1 No
- d) Dia. 50 Mm Bull Indexable Adaptor With Suitable Taegu Tec / Mitsubishi/Seiko/ISCAR / Widia**

- Carbide Inserts – 1 No & 20 Inserts**
- e) **Dia 25 Mm Long Body Indexable With Suitable Taegu Tec/ Mitsubishi/Seiko/ISCAR / Widia Carbide Inserts - 1 No & 20 Inserts**
- f) Dia. 16 Mm Long Body Indexable – 1 No & 20 Inserts
- g) Reducing Socket Adaptor WMTA/MT 1/BT 40 – 1no
- h) Reducing Socket Adaptor WMTA/MT 2 – 60/BT 40 – 1 No
- i) Reducing Socket Adaptor WMTA/MT 3 -75/BT 40 - 1 No
- j) Solid Carbide Endmill Cutters Dia. 4, 5, 6, 8, 10, 12, 14 Mm – 2 Each (Taegu Tec)
- k) Solid Ball Nose Endmill Cutters Dia. 4, 5, 6, 8, 10, 12, 14 Mm – 2 Each
- l) Pull Studs for each adpoter/collet chuck

Standard Features

- a) Ac Servo Drives
- b) Ac Variable Speed Spindle Motor
- c) Hardened & Ground Linear Motion Guide-Ways
- d) Hardened & Ground Ball Screws
- e) Feedback Through Absolute Encoder
- f) Auto Tool Clamping-De-clamping
- g) Centralised Auto-Lubrication
- h) Spindle Taper Air Blow
- i) Basic Coolant System With Chip Tray
- j) Telescopic Covers & Wipers
- k) **Full Machine Guard with safety Alarm**
- l) **Electronic /Pneumatic Counter Balance**
- m) Manual Pulse Generator
- n) **Leveling Pads (Shock Absorbing)**
- o) **LED Machine Lamp**
- p) Maintenance Tool Kit
- q) Operation And Maintenance Manuals
- r) Rigid Tapping

Annexure- II

The other details required in the Bid documents are as under: Give all details attached separate sheets if required.

Nature of Firm: Manufacturer or Authorized dealer.

For “Manufacturers”

1. No. of personnel employed,
2. Manufacturing facilities,
3. After-sales-service facilities
4. Quality control systems.

For “Authorized Dealer”

1. Stating no. of personnel employed,
2. Tie-ups for after-sales-service facilities,
3. Whether authorized dealer or not for the items he is supplying.
4. How he will provide the after-sales-service for the items he is supplying during the warrantee / Guarantee period.

The detail of customers during the last three years i.e. between 01.04.2016 to 31.03.2018 to whom they have supplied similar type of Machines

Bid No.....

To

The Deputy Director (Plg.),
Department Of Training & Technical Education
Muni Maya Ram Marg: Pitam Pura: Delhi

Sir,

Having examined the Bid Documents, the receipt of which is hereby duly acknowledged, we, the undersigned, offer to supply in conformity with the said Bid documents in accordance with the schedule of prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to deliver the goods within the delivery period of Four Weeks, as specified in the Bid document.

If our Bid is accepted we will submit the Performance Guarantee for an amount equal to 10% of the contract value.

We agreed to all Terms and conditions of this Bid valid for a period of 120 days after the date fixed for Technical Bid opening and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Until a formal contract is prepared and executed, this Bid, together with your written acceptance thereof and your notification of award, shall constitute a binding contract between us.

We undertake that, in competing for (and, if the award is made to us, in executing) the above contract, we will strictly observe the laws against fraud and corruption in force in India namely "Prevention of Corruption Act 1988", if we find in Bid pooling or against law against fraud and corruption my / our firm may be black listed.

Further we certify that our organization is not blacklisted by any Govt. Department.
