Dear Colleague,

As you are aware, the First two Issues of the Commission's quarterly magazine 'My Vote Matters' have been published and shared. E-copies of the same are available on Commission's website (link- <https://ecisveep.nic.in/files/category/2-publications/>) for your reference and perusal. I convey my hearty thanks to you for your valuable contribution and support in bringing out these two Issues of the magazine.

We have already started our work on the next Issue of the Magazine (MVM Issue-III). In view of the recently concluded General Elections to the 17th Lok Sabha and the State Legislative Assemblies of Andhra Pradesh, Arunachal Pradesh, Odisha and Sikkim, the thematic focus of the Issue will be 'General Elections 2019: Experiences, Issues, Challenges and Learning'. In this backdrop, we look forward to your contribution on the following pattern :

- (i) Short Articles (up to 500 words) on New Initiatives with outcomes in the General Elections 2019.
- (ii) Short Articles (about 100 words) with some good pictures containing experience based case studies, stories reflecting achievements in terms of specific outcomes during the elections.
- (iii) Stories on Stakeholder Experience especially the Elector Experiences of participation.
- (iv) Pictorial collection on different topics.

In this context, you may like to write to your District Election Officers (DEOs), other Stakeholders such as CSOs, Voluntary Organizations, Youth Organizations, Cultural

Contd...

Organizations and Disability Organizations etc. also for articles on similar lines. Alternatively, you may like to mention about the good work done by such organizations in your article. You may also obtain messages from Brand Ambassadors, Icons, seniormost Citizens etc. along with their photographs for inclusion in the magazine in the context of forthcoming General Elections.

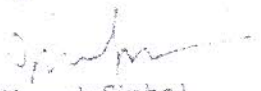

The issue will be published separately in English and Hindi, hence contributory articles may preferably, be sent to us along with Hindi version. An illustrative list of topics is enclosed. Articles beyond this list but covered in the overall theme will also be welcome.

Having conducted the GE 2019 recently, I trust you would have a rich resource of experience based knowledge on all facets of election management. We will look forward to your contribution with a view to share this experience and knowledge with all stakeholders across the country through 'My Vote Matters'.

I shall be grateful if your contributory articles reach us by July 10, 2019 so that we are able to complete the work relating to publication well on time.

With Best wishes
