DO No. 01/07/2018/FB-II

Dated: February 28, 2019

Dear Sir,

As you may be aware, the World Bank Procurement Guidelines and Procurement Regulations provide broader parameters for National Competitive Bidding (NCB), which is subject to further country-specific provisions known as NCB conditions. With introduction of the New Procurement Framework by the World Bank in July 2016, the NCB conditions (now called National Procurement Procedures Conditions or "NPP Conditions") for India required certain revisions.

2. The World Bank team has shared the NPP Conditions with DEA with a request to disseminate the same among project implementing agencies. These NPP Conditions will be applicable to all the IPF (Investment Project Financing) Projects governed by World Bank's Procurement Regulations, where negotiations are to be held after January 25, 2019 and will be included in Procurement Plan (main text), which is the part of the Loan Agreement.

3. I would like to share with you the new NPP conditions of World Bank for kind information.

With regards,

Encl: As above

Yours sincerely

28/02/19
(Sameer Kumar Khare)
