CIRCULAR

Subject: Exemption in Levy of Infrastructure Charges (IFC) for Sanction of Water and Sewer connections in Residential i.e. Domestic Category (Category-I).

- (1) Delhi Jal Board vide its Resolution No.354 dated 05.12.2016 had decided to abolish Infrastructure Charges (IFC) for Commercial / Industrial Connections with immediate effect. However, Infrastructure Charges for Water and Sewerage were continued to be levied on Govt. Developing Agencies (DDA, MCD, PWD, DSIIDC, Govt. Public Undertakings etc.) for such connections along with domestic consumers. A Circular dated 18.01.2017 in this regard was issued by Director (Revenue). Copy is enclosed as Annexure - I.
- (2) Delhi Jal Board in its 151st Meeting held on 22.11.2019, vide Resolution No. 924 considered the proposal contained in Letter No. DJB/CE (Planning) Water / Preamble /2019/05 dated 20.11.2019 of Chief Engineer (Planning) Water and resolved that IFC (Infrastructure Charges) on water & sewer schemes/ connections in non-government residential/domestic Category (Category-I) will not be levied, henceforth, including that for Co-operative Group Housing Societies (CGHS). However, IFC on water & sewer will continued to be levied on government developing agencies (DDA, MCD, PWD, DSIIDC, Govt. Public Undertakings etc.) as applicable, including on their projects under Joint Venture, Public Private Partnership (PPP) and under Special Purpose Vehicle (SPV) etc. The Board also resolved to take further action in anticipation of confirmation of the minutes.

The above decision of the Board is circulated for information and compliance.

- (3) Consequent to above decisions of the Board, following cases only are to be referred to the Planning Water;
 - (a) Water supply schemes / connections on the plot sizes having area of 500sqm and above in respect of government developing agencies (DDA, MCD, PWD, DSIIDC, Govt. Public Undertakings etc.) including their projects under Joint Venture, Public Private Partnership (PPP) and under Special Purpose Vehicle (SPV) etc. for
