In his note dated 06.05.2020 Hon'ble Dy. Chief Minister GNCTD has observed that data pertaining to beneficiaries in Hunger Relief Centres has not been captured fully despite his earlier note dated 20/04/2020. Data capturing is required as per the direction of Ministry of Home Affairs, Government of India vide order dated 19 April 2020. The data is absolutely essential for the purpose of contact tracing in the eventuality of anyone found with COVID-19 at any of the Hunger Relief Centre. It is seen that data has been captured only to a very little extent.

In light of the above, all DMs are requested to expedite that data capturing process. All DMs shall ensure that we capture the contact details of each and every beneficiary to meet any eventuality related to contact tracing which is absolutely essential for containment of COVID-19 pandemic. All DMs shall capture the data and submit the same within two working days. The data shall be collected and entered in the weblink by two Civil Defence Volunteers in each Hunger Relief Centre.

This issues with the approval of the competent Authority.
